MANITOBA POLL

# METHODOLOGY

# 505

**505 Manitoba residents 18+ were surveyed between September 11 – September 16, 2023.**

The survey were conducted online by way of the *Leger Opinion (LEO) Panel*.

Margin of error is not applicable for online surveys, however, if the surveys were probability-based random samples of the same size, it would be considered accurate to +/- 4% nineteen times out of twenty.

Results are weighted for:

- Age, gender, and region according to the most recent Census.
